

# Quarterly extraction report of gravel and sand

(Period B: July – August - September 2020)

**TRANSLATION – This translation is for your information only and has no legal value. The French text shall prevail in case of discrepancy. YOU NEED TO FILL OUT THE FRENCH FORM ONLY.**

- The applicant must keep all the documents that served to produce this declaration. This form must be completed every three months and received at the MRC of Pontiac at the latest July 15th, October 15th, January 15th and April 15th of each year. This declaration must be accompanied by a cheque made payable to MRC of Pontiac, corresponding to the amount due.
- **If the report is not received to the MRC of Pontiac on time you will be subject to an additional amount of \$52.25, if statement is received within 15 days of the due date. If still not received from the 16th day following the due date the additional fee will be \$104. Interest is added to the amount not paid on time.**
- The quantities declared regarding this lease could be verified by the MRC Pontiac or the Finance controller which under the Commissions of Inquiry Act, has the power to read and review all records and documents considered useful for verification. In case where the dues are incorrect following an audit, interest will be added to the amount to be paid from the date on which the report and dues were to be received by the MRC.
- Substance extracted means any substance moved from a natural deposit by a physical operation.
- The **value** is the **local market value of the total amount extracted**. Without a sale, indicate its estimated local market value.
